

Our Place in the World: Identity and Community

At Our Lady and St Hubert's we are strengthened by our diversity and range of family backgrounds and this theme celebrates who we are. Children will learn about the history and geography of people—who we are, where we come from and why many people choose to settle and live where they do—particularly in our local area and Great Britain. Children will celebrate who they are through creating self-portraits; community events held within school will celebrate our range of family backgrounds; children will discover more about the variety of faiths followed by our local communities, underpinned by learning about the values we have in Great Britain.

Pre School — Ourselves

Throughout this focus children will be exploring the similarities and differences that they have between themselves and their friends and begin to develop an understanding of what makes them unique.

Through Health and Self-care children will continue to develop their understanding of what are good practices in relation to exercise and healthy eating, and the need for good hygiene and sleep routine.

Theme Impact

Children will be able to talk about the similarities and differences that they have in relation to their friends and other children and be able to verbalise elements that make them unique.

Catholic Social Teaching

Catholic Social Teaching Focus- Preschool – to focus on human dignity and community and participation. They are to focus on themselves and how they were created in the image of God. Can they describe their qualities? How do they use these in our school community?

Application

Children will gain an understanding of ourselves through opportunities such making self-portraits or taking pictures of our friends and talking about what we have that is similar and what is different. To also talk in positive terms about what makes us unique.

Enrichment

To create a “Guess Who” style game using photos of the children

Understanding the World

Knows some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends and family

PD

Shows some understanding that good practices with regard to exercise , eating, sleeping and hygiene can contribute to good health.
