In accordance with our Mission Statement

‘At Our Lady & St. Hubert’s, home, school and parish work together as we grow and learn, knowing that God is with us in all we do’.

Statement of intent

Our policy has been created with health and safety, value for money, and practicality at its heart. It has been designed to ensure pupils wear clothing conducive to a successful learning environment. It is important that our pupils feel a sense of belonging and community through a smart and practical uniform.

We believe a uniform allows all pupils, regardless of background, to feel equal to their peers and confident in their appearance. We also believe it is important for activities to be facilitated by specialised and appropriate clothing such as sports specific attire.

Our Lady & St. Hubert’s (OLSH) is committed to ensuring equality and value for money, and that no pupil is discriminated against due to their religion or belief, economic circumstances or social and cultural background – this policy contains provisions to meet these objectives.

1. Cost and availability

1.1. The school must ensure that “policies around school uniform or school trips do not discourage parents from applying for a place for their child”.

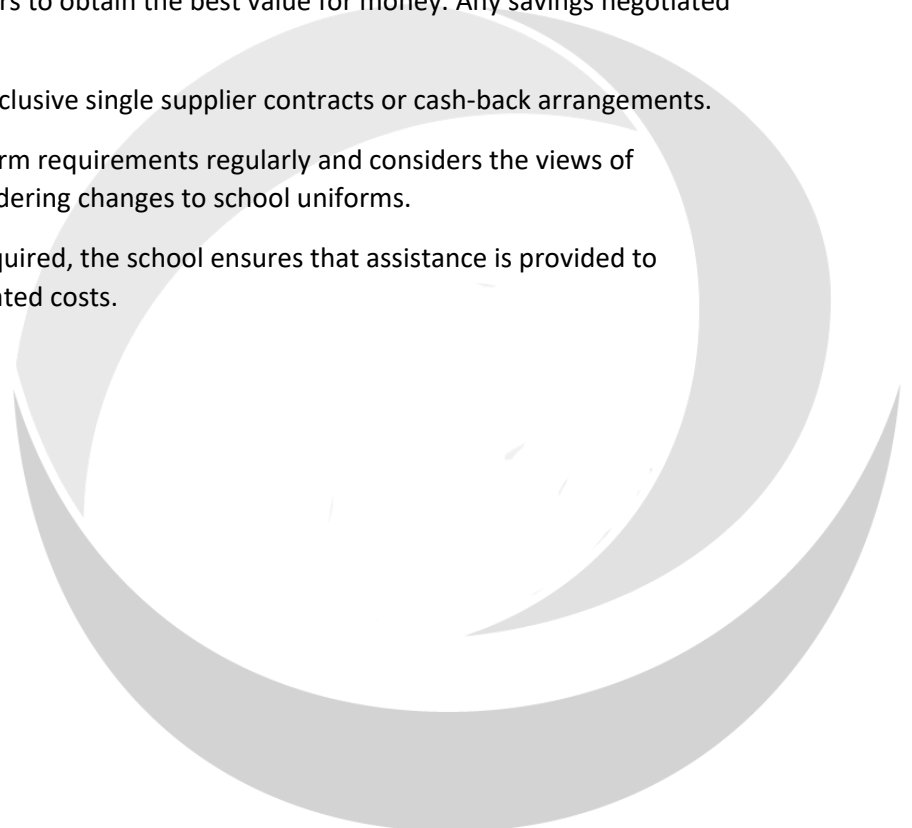

1.2. OLSH is committed to fulfilling the DfE’s recommendations on costs and value for money. Every care has been taken to ensure that our uniforms are affordable for all current and potential pupils, and that the best value for money is secured through reputable suppliers.

1.3. OLSH works with multiple suppliers to obtain the best value for money. Any savings negotiated are passed to parents where possible.

1.4. The school does not enter into exclusive single supplier contracts or cash-back arrangements.

1.5. The school does not amend uniform requirements regularly and considers the views of parents/carers and pupils when considering changes to school uniforms.

1.6. Where wholesale changes are required, the school ensures that assistance is provided to parents struggling to meet the associated costs.

2. Religious clothing

2.1. OLSH does not discriminate against any religion or belief; however, the school must weigh the needs and rights of individual pupils against the cohesion and health and safety concerns of the entire school community. The school endeavours to allow most formal religious requirements to be met.

2.2. Religious headwear such as hijabs, headscarves and turbans should be plain and dark blue or white in colour.

3. Equality

3.1. The school is required to ensure that the Uniform Policy does not discriminate unlawfully.

3.2. Every step has been taken by OLSH to ensure that the cost of girls' and boys' uniforms are not disproportionate.
