Commitment to Equality:

We are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.

This Early Years Foundation Stage (EYFS) Policy has been approved and adopted by Emmaus Catholic Multi Academy Company on 23rd August 2024 and will be reviewed in September 2027.

Signed by Director of Emmaus Catholic MAC: *J Griffin*

Signed by CEO for Central Team: *S Horan*

This policy relates to all Emmaus schools.

DEFINITIONS

The Company's standard set of definitions is contained at [Definition of Terms](#) – please refer to this for the latest definitions.

1. Aims

This policy aims to ensure:

- That children access a broad and balanced curriculum that gives them the broad range of knowledge and skills needed for good progress through school and life.
- Quality and consistency in teaching and learning so that every child makes good progress, and no child gets left behind.
- A close working partnership between staff and parents and/or carers.
- Every child is included and supported through equality of opportunity and anti-discriminatory practice.

2. Legislation

This policy is based on requirements set out in the latest [statutory framework for the Early Years Foundation Stage \(EYFS\)](#). This document also complies with our funding agreement and articles of association.

3. Structure of the EYFS

At Our Lady and St Huberts, we offer 30 hours of preschool for children. These can be split into full-time or part-time hours in the form of mornings, afternoons, or set days, according to what works best for our children and parents. Children can start preschool after their third birthday.

Preschool times are as follows:

All day – 9 am – 3 pm

Mornings – 9 am – 12 pm

Afternoons – 12.30 pm 3:30 pm

Wrap-around care is available from 7.30 am and open until 5:45 pm.

Every preschool child is entitled to 15 hours of government funding, and some families are eligible for 30 funded hours. A morning or afternoon session is £14.25, the half an hour for lunchtime is £2.50

Our reception class attends school full-time from 8.50 am – 3.30 pm.

4. Curriculum

Our early years setting follows the curriculum outlined in the latest EYFS statutory framework.

The EYFS framework includes 7 areas of learning and development that are equally important and inter-connected. 3 areas, known as the prime areas, are seen as particularly important for igniting curiosity and enthusiasm for learning, and for building children's capacity to learn, form relationships and thrive.

The prime areas are:

- Communication and language
- Physical development
- Personal, social and emotional development

The prime areas are strengthened and applied through 4 specific areas:

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

Planning

Staff plan activities and experiences for children that enable children to develop and learn effectively. In order to do this, staff working with the youngest children are expected to focus strongly on the 3 prime areas.

Staff also take into account the individual needs, interests, and stage of development of each child in their care and use this information to plan a challenging and enjoyable experience. Where a child may have a special educational need or disability, staff consider whether specialist support is required, linking with relevant services from other agencies, where appropriate.

In planning and guiding children's activities, staff reflect on the different ways that children learn and include these in their practice.

Teaching

Each area of learning and development is implemented through planned, purposeful play, and through a mix of adult-led and child-initiated activities. Staff respond to each child's emerging needs and interests, guiding their development through warm, positive interaction.

As children grow older, and as their development allows, the balance gradually shifts towards more adult-led activities to help children prepare for more formal learning, ready for year 1.

5. **Assessment**

At Our Lady and St Hubert's Catholic Primary School, ongoing assessment is an integral part of learning and development processes. Staff observe pupils to identify their level of achievement, interests and learning styles. These observations are used to shape future planning. Staff also take into account observations shared by parents and/or carers.

Within the first 6 weeks that a child **starts reception**, staff will administer the Reception Baseline Assessment (RBA).

At the **end of the EYFS**, staff complete the EYFS profile for each child. Pupils are assessed against the 17 early learning goals, indicating whether they are:

- Meeting expected levels of development
- Not yet reaching expected levels ('emerging')

The profile reflects ongoing observations, and discussions with parents and/or carers. The results of the profile are shared with parents and/or carers for their child.

The profile is moderated internally (referring to the Development Matters [guidance](#)) and in partnership with other local schools, to ensure consistent assessment judgements. EYFS profile data is submitted to the local authority upon request.

6. Transition

A smooth transition is achieved by having the following in place:

Nursery to Reception

Strong links with Pre-School and other local nurseries/ pre-schools, including staff visits.

- A comprehensive transition document is used to ensure detailed information supports the transition.
- Children visit the setting in July.
- Parents' evening is held, during which EYFS staff are introduced, and an introduction to life in EYFS is given.
- Gradual start – children are split into groups and attend morning only during the first few days to support transition. They then attend full-time by the end of the first week.

Reception to Year One

EYFS/ KS1 staff work closely together.

- Children are familiar with Year 1 staff through whole school activities.
- The EYFS curriculum has clear links to KS1 through carefully chosen topics and activities.
 - In the summer term, teaching in the Reception class is more formal in preparation for Year 1.
 - In autumn 1 teaching in Year 1 includes some elements of continuous provision where appropriate.
- The children take part in a transition afternoon, during which they meet the Year 1 staff and become familiar with the Year 1 classroom.

7. Working with parents and carers

We recognise that children learn and develop well when there is a strong partnership between staff and parents and/or carers. At Our Lady and St Hubert's Catholic Primary School we aim to build strong relationships with our parents by giving open communication, support and offering time in school through workshops, prayer and liturgy, performances, celebration assemblies and many more special events throughout the year.

Parents and carers are updated with their child's progress and development through parents' evenings and meetings throughout the school year. We offer an open-door policy, so parents can communicate with the class teacher on a daily basis.

Teacher assessments and the EYFS profile help to provide parents and/or carers with a well-rounded picture of their child's knowledge, understanding and abilities. We ask parents to contribute to their child's learning journey by sharing progress from home and participating in classroom activities such as learning workshops to build their knowledge and support their child/ren from home.

8. Safeguarding and welfare procedures

We recognise that children learn best when they are healthy safe and secure, when their individual needs are met and when they have positive relationships with the adults caring for them. We follow safeguarding and welfare requirements to provide a welcoming, safe and stimulating environment where children are able to enjoy learning and grow in confidence.

We make sure that the appropriate statutory staff: child ratios are maintained in our setting to meet the needs of all children and ensure their safety:

[For registered early years provision:]

- Where a person with Qualified Teacher Status, Early Years Professional Status, Early Years Teacher Status or another approved level 6 qualification is working directly with the children, we have at least 1 member of staff for every 13 children
- Where a person with the above qualifications is not working directly with the children, we have at least 1 member of staff for every 8 children

We have at least 1 person with a current pediatric first aid (PFA) certificate on the premises and available at all times when children are present, including on outings. This PFA certificate is renewed every 3 years as required.

We promote good oral health, as well as good health in general, for example, by talking to children about:

- The effects of eating too many sweet things
- The importance of brushing your teeth

The rest of our safeguarding and welfare procedures are outlined in our school's Safeguarding (Including Child Protection) Policy [Safeguarding Policy](#)

9. Monitoring arrangements

This policy will be reviewed and approved by the Local Governing Body every 3 years or sooner if subject to changes.
