

## Year 3 – Friday 10<sup>th</sup> March

### Maths

Telling the time to five minutes. This is a recap of what we have learnt in Year 2.

### English

Subordinating conjunctions

### Enquiry

Linking to our enquiry project, we have been looking at food waste.

[Food waste - BBC Bitesize](#) Do you have a way of reducing food waste in your home? Do you have a compost bin or a food wastage bin? Teach someone at home about what you learnt about food waste at school.

[Food miles and the environment - BBC Bitesize](#) Our explanation text in English is all about 'food from farm to fork'. Read through the information on here and create a poster or powerpoint presentation about food miles. We will display some of these in our classroom.

### Times Tables

Hopefully you have your beat the clock sheet at home. If not, Google 'hit the button' and play the game practising the times table you are on.

Remember the key is to answer the questions with speed! [Hit the Button - Quick fire maths practise for 6-11 year olds \(topmarks.co.uk\)](#)
